

The Benefits of Easy Choice Add Up.

What is Easy Choice OTC benefit? Simply put, we give you a monthly dollar amount; you spend it on some of the over-the-counter (OTC) items you use every day. It's that easy.

The OTC benefit is part of your health plan. Every month you can get brand-name or generic OTC medications and products like bandages, pain relievers, cold medicine, toothpaste, vitamins and much more.

You can use this catalog, then order online or by phone and we'll ship your items right to your door.

Each plan offers different OTC benefit amounts. Check your Evidence of Coverage or Summary of Benefits for your specific benefit amount for your plan. Remember that your benefit and items are only for your use. **Use your benefit each month. It does not roll over to the next month.**

How Do I Use My OTC Benefit?

There are two ways to get your items. No matter how you order them, we'll ship them right to your door. It's that easy. Allow 7-10 business days to receive your order.
