**Virtual Health Education (HE) Classes**

There is no cost for our virtual health education classes. Classes are open to all BSC Promise members. Members can access these classes by telephone (listen only) or Teams meeting link. **Please direct members to call the Health Education Department at 562-613-5118 for English and Spanish, and 562-580-6109 for Mandarin and Cantonese, or the Customer Care toll-free number for class call-in information or Teams meeting link. We can help the members connect to the class as needed.**

**Congestive Heart Failure (CHF) – July 2024**

Heart failure is a condition that occurs when the heart cannot pump blood as well as it should. Heart failure can cause symptoms of shortness of breath, fatigue, leg swelling, and other signs of fluid retention. Heart failure symptoms can be mild to severe or even life-threatening. Although heart failure is a serious condition, safe and effective treatments are available. Join us as we discuss diet, lifestyle, medication treatment, and self-care tips to help relieve symptoms and live well.
